

LAUNCH OF THE 2008 COLLECTOR VILLAGE PUMPKIN FESTIVAL

"All about pumpkins..."

Thousands of people rubbed shoulders at the third annual Collector community Pumpkin Festival on Sunday which featured a variety of pumpkin related competitions and dozens of gourmet food stalls, many offering pumpkin flavoured delights to tempt the palate" The Post Weekly, 5 May 2005.

"Power in the country..."

The Collector Pumpkin Festival was a great day out last Sunday, and it seems most of Canberra was there.." Rod Quinn The Sunday Times, 8 May 2005.

After four successful years, and a year's rest, the Collector Village Pumpkin Festival is now back on the calendar and preparations are underway for 2008.

The community of Collector and the region will be looking to get the inside edge and find out all the details for the 2008 Collector Village Pumpkin festival at a good ol' country breakfast provided by the Pumpkin Festival Committee.

Pumpkin seeds will be available at the launch as well as growing advice.

Remember – if you want to get involved in growing pumpkins for next year's festival – now is the time to get your seeds and get planting.

So come along and enjoy breakfast and the official launch of the 2008 Collector Village Pumpkin Festival

Bring a few gold coins donation to help us out with breakfast and to send us on our way – YES IT'S BACK!!
